

NOTICE OF PRIVACY PRACTICE FOR PROTECTED HEALTH INFORMATION

This notice describes how medical information may be used disclosed and how you can get access to this information. Please review it carefully.

With your consent the practice is permitted by federal privacy laws to make and use disclosures of the health information for purposes of treatment, payment and health care operations. Protected health information is the information we create and obtain in providing our services to you. Such information may include documenting your symptoms, examination and test results, diagnosis, treatment and applying for future care or treatment. It also includes billing documents for those services.

Example of Uses of Your Information, for Treatment Purposes:

A nurse obtains treatment information about you and records it in a health record. During the course of treatment, the doctor determines a need with another specialist in the area. The doctor will share the information with such specialists and obtain input.

Example of Uses of Your Information for Payment Purposes:

We submit a request for payment to your health insurance company. The health insurance company requests information from us regarding medical care given.

Examples of Uses for Your Information, for Health Care Operations:

We obtain services from our insurers or other business associates such quality improvement, outcome evaluation, protocol and clinical guidelines development, training programs, credentialing, medical reviews, legal services and insurance. We will share information about you with such insurers or other business associates as necessary to obtain these services.

Your Health Information Rights:

The health record we maintain and billing records are physical property of the practice. The information in it, however, belongs to you. You have the right to:

- Request a restriction on certain uses and disclosures of your health information by delivering the request in writing to our office. We are not required to grant the request, but we will comply with any request granted.
- Request that you be allowed to inspect and copy your health record and billing record. You may exercise this right by delivering the request in writing to our office.
- Appeal a denial of access to your protected health information, except in certain circumstances.
- Request that your health care record be amended to correct incomplete or incorrect information by delivering a written request to our office.
- File a statement of disagreement if your amendment is denied and require that the request for amendment and any denial be attached in all future disclosures of your protected health information.
- Obtain an accounting of disclosures of your health information be maintained by law by delivering a written request to our office. An accounting will not include internal uses of information for treatment, payment or operations, disclosures made to you or made at your request or disclosures made to family members or friends in the course of providing care.
- Request that communication of your health information be made by alternative means or at an alternative location by delivering the request in writing to our office.
- Revoke authorizations that you made previously to use or disclose information except to the extent information or action has already been taken by delivering a written revocation to our office.

If you want to exercise any of the above rights, please contact JENNIFER PERRINO, MANAGER (619) 334-8880 at 366 PIERCE ST. EL CAJON, CA 92020 in person or in writing during normal business hours. She will provide you with the assistance on the steps to take to exercise your rights.

Our Responsibilities: The practice is required to:

- Maintain the privacy of your health information as required by law.
- Provide you with a notice of our duties and privacy practices as to the information we collect and maintain about you.
- Abide by the terms of this notice.
- Notify you if we can not accommodate a request restriction on request.
- Accommodate your reasonable request regarding methods to communicate health information with you.

We reserve the right to amend, change or eliminate provisions in our privacy practices and access practices to enact new provisions regarding the protected health information we maintain. If our information practices change, we will amend our Notice. You are entitled to receive a revised copy of Notice by calling and requesting a copy of our Notice by visiting our office and picking up a copy.

To Request Information or File a Complaint:

If you have questions, would like additional information, or want to report a problem regarding the handling of your information, you may contact JENNIFER PERRINO, MANAGER at (619) 334-8880.

Additionally, if you believe your privacy rights have been violated, you may file a written complaint to JENNIFER PERRINO. You may also file a complaint by mailing it or emailing it to the Secretary of Health and Human Services whose phone number is (877) 696-6775.

- We can not and will not, require you to waive the right to file a complaint with the Secretary of Health and Human Services (HHS) as a condition of receiving treatment from this practice.
- We can not and will not, retaliate against you for filing a complaint with the HHS.

Other Disclosures and Uses:

Notification: Unless you object, we may use or disclose your protected information to notify or assist in notifying a family member, personal representative or other person responsible for your care, about your location and about your general condition of health.

Communication with Family: Using our best judgment, we may disclose to a family member, or other relative, close personal friend or any other person you identify, health information relevant to that person's involvement in your care or in a payment for such care if you to not object or in an emergency.

Food and Drug Administration (FDA): We may disclose to the FDA, your protected health information relating to adverse events with respect to product defects or post-marking surveillance information to enable product recalls, repairs or replacements.

Workers Compensation: If you seek compensation through Workers Compensation, we disclose your protected health information to the extent necessary to comply with the laws relating to Workers Compensation.

Public Health: As required by law, we may disclose your protected health information to public health or legal authorities charged with preventing or controlling disease, injury or disability.

Abuse or Neglect: We may disclose your protected health information to public authorities as allowed by law to report abuse or neglect.

Correctional Institutions: If you are an inmate of a correctional institution, we may disclose to the institution or agents, your protected health information necessary for your health and safety of other individuals.

Law Enforcement: We may disclose your protected health information for law enforcement purposes as required by law, such as when required by a court order or in cases involving felony prosecution or to the extent an individual is in the custody of law enforcement.

Health Oversight: Federal law allows us to release your protected health information to appropriate health oversight agencies or for health oversight activities.

Judicial/Administrative Proceeding: We may disclose your protected health information in the course of any judicial or administrative proceeding as allowed or required by law, with your consent or as directed by a proper court order.

Other Uses: Other uses and disclosures besides those identified in the Notice will be made only as otherwise authorization by law or with your authorization and you may revoke the authorization as previously provided.

Effective Date: April 14, 2003

I, _____ hereby acknowledge that I have received a copy of this practice's Notice of Privacy Practices, and I have been given the opportunity to ask any questions I may have regarding this Notice.
